Organised by

College of Dairy Technology,
Warud (Pusad) 445 204
Maharashtra Animal and Fishery Sciences
University Nagpur, Maharashtra

Venue

Auditorium, Nagpur Veterinary College,
Seminary Hills, Nagpur-440006
MAFSU, Nagpur

About the Conference

Functional foods are gaining its importance in day to day life. These includes all the foods which contain the potentially health promoting compounds beyond the basic nutrition. It is a burning topic therefore regular research has been carried out to improve the functionality of food. Enrichment, supplementation and fortification are different ways to prepare the functional foods, however these process require certain improvements in the existing natural food system which needs to be thoroughly studied. Hence considering the recent scenario and need of discussion in this particular area, organizers announces the National Conference on "Emerging trends for Development of Functional Foods" to bring the delegates from industry and academia on a common platform and discuss the innovative ideas and recent advances in the field.

About the University

The Maharashtra Animal & Fishery Sciences University (MAFSU) was formally notified on November 17, 2000 and was established under the State Act No. 1998 (MAH.
